

MPS members,

In light of the recent developments around the COVID-19 (or Coronavirus) and the uncertainty we are all facing day to day and as our club members health and safety is of the utmost concern the MPS Executive Committee has made the decision that we will suspend all club meetings until further notice. More information on how we will conduct future club meetings and events whilst we are in this period of uncertainty will be communicated shortly.

If any member or their family does become exposed or are diagnosed with the virus, please kindly inform us, so that we can take any necessary control measures.

Please bear with us all while our state and country battles through some tough challenging times ahead.

The committee and I will keep everyone updated weekly on our progress and share information on how our Competition & Presentation meetings will be conducted going forward.

Thank you for your understanding and please stay safe and well.

Best regards,  
Brett Atkins  
*President*
